**Re: Request for extension of discovery
Tyler Erdman v. Adam Victor, et al., No. 20 Civ. 4162**

Dear Judge Gorenstein,

This letter is written to request for an extension of the discovery deadline, presently set for September 7, 2023, and September 14, 2023, as the last day for the order required in the case management plan, to October 23, 2023 and October 30, 2023, respectively.

This is the eleventh request for an extension of the discovery deadline. The extension is needed due to the fact there presently exists a date for providing document production information past the overall discovery deadline, and Plaintiff will need time to review the responses required by the Order of the Court dated August 25, 2023. After calling him twice and leaving a message, Plaintiff and I were not able to confer today.

Therefore, I make this request to extend the deadlines for discovery and the order required in the case management plan.

PLEASE RESPOND TO BROOKLYN OFFICE

Yours faithfully
